The Management of The Sahib welcomes you, and is willing to help you select your Indian Dish.

Your comments will be much appreciated. We hope we have the opportunity of serving you on many occasions

Our menu consists of the most exotic Tandoori Specialities, these are the selected dishes of the Indian Sub-Continent cuisine. These preparations are rich in flavour and have their own individual taste and aroma. All our dishes are prepared everyday with properly blended and freshly mixed spices, exactly as they are done in our own homes.

We are very health conscious hence we do not use ghee, good for vegetarians and vegans.

We do not use additives, preservatives or artificial colouring, hence our Tandoori, Tikka dishes and Massala are not red.
